

光，如水紋般靜靜流淌。在 FLO 的弧面曲線中，每一寸光都被細緻收納，燈罩隨心轉動，映散溫柔氛圍。嚴謹的嵌合工藝，隱去縫隙，只留下純粹而完整的光。Ra>98 全光譜 LED，如日光般真實溫暖，柔和不炫目；復古金的飾環點綴，讓靜謐流線綻放一抹光韻亮點。

全系列涵蓋吊燈、樹燈、壁燈與桌燈，共五種形式，將流動之美帶入空間。

Light, like ripples of water, flows in quiet grace. With curved lines, FLO delicately gathers the glow; its adjustable shade lets softness drift gently through the space.

Meticulous craftsmanship ensures seamless alignment, leaving only pure and complete illumination. Ra>98 full-spectrum LED brings sunlike warmth—gentle and glare-free—while a vintage gold ring highlights the serene flow with a subtle gleam. The collection includes pendant, wall, and table lamps—five variations that bring the beauty of flowing light into any space.
