

Laito 是日文的「光明」之意，外型汲取自經典不朽的燈罩以及傳統銀行燈的「魚骨結構」，是對復古的眷戀；以俐落的線條、霧面烤漆重新定義出都市低調與簡單的性格，搭配可 350° 轉動的新魚骨結構，讓「光」帶著復古，走入現代實用簡約生活之中。

The LAITO's vintage shape brings back the silhouette of what lamps used to look like in banks back in the day. Our specially designed fishbone structure enhances balance and allows rotation of the lampshade. We've taken what otherwise would only be considered a desk lamp and created a pendant lamp version out of of this. Ponder over your work, while LAITO focuses on you.
