

DJ Dimmer 的誕生源於設計師的靈感閃現，將燈具開關與 DJ 手刮黑膠唱盤的意趣結合在一起，帶著一點不拘常規的玩心，就像燈光界的頑童，不受傳統束縛、不去限定一盞燈應有的樣貌。

Mr. DJ 設計採用現代感十足的簡約線條，與山形的透明 DJ Dimmer 底盤相連，清晰地展示著純黃銅齒輪間的轉動。以精心刻鑿的軌跡和力道，提供直覺且平穩的操作手感，緩推即亮，讓人彷彿聽見燈光漸強漸弱的旋律。

Say goodbye to traditional light switch and embrace an era of interactive illumination. Mr. DJ introduces a groundbreaking fusion of lighting and musical inspiration, blending a lamp switch with dynamic energy reminiscent of DJ scratching vinyl records. With its superior structure, lighting up becomes a thrilling offbeat experience that breaks free from the ordinary.

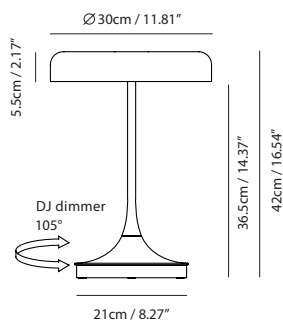

The mountain-shaped base of the DJ Dimmer showcases genuine brass gears through simple outlines and transparency, offering intuitive brightness control with meticulously carved tracks and smooth operation. Adjust it to create a unique ambiance, akin to the rhythm of a melody.
