

Pensée 單純質樸的模樣，在生活百態中表露一絲絲親切與熟悉。設計師以弦月狀的手工口吹玻璃結合盛光的金屬器皿，悉心配置玻璃露出面積、裁量燈罩 R 角線條的比例，讓輕喃般的溫潤暖光自然爬梳每個空間角落，向人們訴說著關於日常的悄悄耳語。

Pensée, a refined and contemporary take on a timeless silhouette. With its classic profile and compact design, the Pensée emits a calming glow through hand-crafted opal glass, now combined with a delicate metal shade available in three color options, topped off with a golden detail.
